<ul style="list-style-type: none">Assisted in recruitment processes, including candidate screening and interview scheduling.Supported HR managers in conducting new employee orientations and onboarding processes. Manage and assist the marketing team.	
Oasis Infobyte Web Development Intern	Oct 2023
<ul style="list-style-type: none">Completed projects assigned throughout the internship duration. Showcasing dedication and time management abilities to meet deadlines.	

Projects

Portfolio Website

- Designed and developed a responsive portfolio website showcasing my skills, projects and contact information. Implemented a contact form feature allowing visitors to reach out, with data automatically captured and stored in an excel sheet. Utilized HTML, CSS and Javascript to create an interactive and visually appealing design.

Weather Forecaster

- Created an HTML, CSS and Javascript-powered application that integrates with an API to provide real-time weather data. Demonstrated proficiency in front-end development, responsive design and user-centered design principle, resulting in a user-friendly and visually appealing experience. [LIVE](#)

UsabilityHub Website Homepage Clone Project

- Crafted a visually stunning fronted clone website from scratch inspired by the UsabilityHub website, employing HTML, CSS and media queries to ensure seamless responsiveness across all screen sizes. [LIVE](#)

Academic and Extracurricular Achievements

- Participated in two hackathons, one was organized by Galgotias University-Dexterix and Technothon organized by Galgotias college.
- Contributed to Hacktoberfest where my 4 pull request got selected in 2022.

Positions of Responsibility

CYBER CELL | Graphics Lead

- As a Graphics Lead I Led and coordinated the graphics team, achieving successful outcomes across multiple events.

NASA SPACE APP | Volunteer

- Volunteered as an integral part of the organizing team for the NASA Space Apps Hackathon, contributing to its successful execution.

Certifications

- Programming with c++ : <https://trainings.internshala.com/s/v/1152573/e856136b>
- CSS and Javascript : <https://www.udemy.com/certificate/UC-8220a0e2-5469-4738-967d-ccee498dfbfd/>
